Food Standard Agency Regulations

Dear Parents/Carers

Foods Standard Agency require that all food businesses (e.g restaurants, takeaways, bakeries and school caterers) declare any of 14 identified allergenic ingredients which are used in non-prepacked or loose foods that are sold or provided.

The EU Information for Consumers Regulations (No. 1169/2011) lays down rules for the requirements. The full list of allergens will be on display in the school foyer.

School Meal Forms

Dear Parents

Due to the high demand for hot school meals, we have had to enforce a deadline for meal forms to be submitted to the office.

School meal forms **need** to be completed and returned to the office on the **Thursday (12.00 noon)** before the week you would like the meals to start.

However, in order to get the meal orders correct for the first week back, meal forms need to be submitted by the deadline date given on the form.

This is to ensure that meal numbers are accurate for the kitchen staff. To avoid disappointment please hand meal forms in before the deadline.

Many Thanks
