

Arts and Literacy Week 2018

26th February-2nd March

Robin Hood's 21st Annual event!

We are a GOLD ARTSMARK SCHOOL and pride ourselves on the excellent arts provision we give our Robin Hood pupils.

ANTHONY GLENN STARTS OUR ARTS WEEK!

Anthony will be whetting the children's appetite for Shakespeare with his version of "The Tempest". Antony has been visiting Robin Hood for over 20 years inspiring our young actors with a variety of Shakespeare plays. The plays are simplified for our young learners so that the children understand the story plot and hear some key speeches! He is always popular and the children enjoy taking part in the plays. Years 4, 5 and 6 will also enjoy follow up workshops.

Starsnappers will be running photography workshops across the school. The pupils will learn to take one another's photographs using professional equipment. It is always great fun and parents, you will be able to purchase the pictures they take!

WORLD BOOK DAY

"VOCABULARY PARADE"

Thursday 1st March

We would like everyone to be very creative and dress up as a word of their choice for our Robin Hood Vocabulary Parade. Each class will be brainstorming ideas to get them started! There are also many great ideas to be found on the internet if you get stuck!

ARTS CAROUSEL

All classes will rotate to have a variety of new art experiences with different class teachers!

COME AND SEE OUR ART EXHIBITION!

IT IS ON FOR TWO WEEKS IN THE ENTRANCE HALL

The children's framed artwork will be on sale for £3.50. All sold work will then be given out to children the following week. The money raised will fund next year's event.
