

Reception Class
Friday Talking Homework

This week we have been continuing our topic of traditional tales and have been learning the story of Snow White and the Seven Dwarfs. We have heard the whole story and learnt the names of the main Characters in the Story. We discussed the names of the Seven Dwarfs and talked about other words that would describe each Dwarf.

Ask your child if they can tell you some of the words to describe the individual Dwarfs? For example we said Sleepy could also be called tired or Dozy and Happy could also be called excited.

This week we have been learning three new phonic sounds. We learnt the sounds y, x and z. We talked about things beginning with these sounds and objects ending with the sound x. Ask your child if they can remember the words we explored using our new sounds?

We wrote a piece of work about what we did yesterday and designed some bunches of yellow bananas and wrote in yellow finger paint. We talked about x being in box and fox and also the letter name x beginning the word x ray.

We played with the Drs sets in the role play area and looked at x rays. We did some fact finding about animals that live in Zoos. Ask your child to tell you any new information they found out about the Zoo animals?

We made a big zoo in the outdoor area and made labels for the Zoo animal cages and separate areas.

We have also been learning the new words my and we. Please get your child to read these to you on labels around your house and also please carry on supporting them with our new letter sounds that we are sending home.
