

THANK YOU!

Robin Hood Primary School Summer Fair 2018

The Summer Fair was a great success and we raised **£3244**, after expenses, for the school, which will benefit the children directly.

We would like to say a huge thank you to everyone involved for making it a fun day and an excellent fundraising event.

Thank you to everyone who gave towards this event - items, raffle prizes, time to assist with preparations before the event, or help on the day.

Thank you also to all who visited the event - we hope you enjoyed it.

In addition, we would like to thank Kingston Karate Do and Revolution Dance group for their displays in the arena.

All the money raised will directly benefit the children. The PTA are putting a procedure in place to ensure the spending of the funds are fairly distributed throughout the school and are spent on necessary items to benefit the children's learning and school experience.

Throughout this year the PTA has bought Easter eggs for the Easter egg hunt at school, Year 6 school leaver's jumpers, new disco lights, gazebos, and most recently a fire pit for outdoor learning equipment as well as some cosy wicker cocoons for the nursery. Further details of how we have used the PTA funds will be in the annual report which will come out at the end of term.

The success of the fair was the result of a great team effort which made for a brilliant day.

THANK YOU FROM THE PTA AND ALL THE TEACHING STAFF

There are many ways in which you can be an active PTA member and support the school. Look out for the date of the next meeting and come along if you can.

Have a super summer holiday!
