05 ACTIVITY PACK Rainbow Spaceships

INSTRUCTIONS

This activity will encourage your child to: 'Rainbow Spaceships' helps your child to sort and match colours, learn about taking turns and following the rules of a game.

Mathematical words

Match, the same as, next to, on top of, below, colours, 1-6.

Using the pack

Each player has a spaceship base board.

Choose 6 aliens/counters (one of each colour).

Look at the dice, take turns to roll it and match the corresponding coloured alien or counter, place it on the Spaceship baseboard.

If a colour is rolled, but you have already placed the alien on your baseboard, miss a turn.

The winner is the first to complete their Rainbow Spaceship.

If you want to do more...

Let your child be the one to describe each alien to you and its position in relation to any others, or the order "This is the second alien on my spaceship".

Please complete the feedback card, so we can continue to support your child with their learning in Nursery.

PLEASE NOTE! These Activity packs take considerable time and care to produce, please check the contents before returning it complete to the Nursery.

WARNING: some of the packs contain small objects that should not be used independently by children under 3 years old. Adult supervision is required at all times.

05 ACTIVITY PACK Rainbow Spaceships - printable resources

Print out 2 x base boards and 12 x counters, cut out and laminate.
