

YEAR 2 MUCK, MESS AND MIXTURES HOME LEARNING TASKS

In addition to the **COMPULSORY GREEN HOME LEARNING** you may further your learning experiences by choosing from the **OPTIONAL** coloured boxes below.

All work should be completed to a high standard before bringing it in to share with the class.

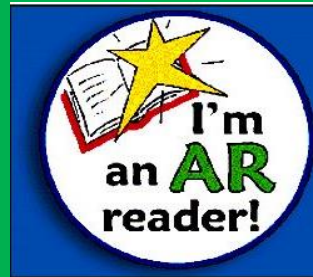

DRAW

Can you design a gory recipe for a medicine just like George does? What will your medicine do? What gruesome ingredients will it include?

Reading

You are expected to read for at least 15 minutes a day.

VISIT

Visit your supermarket. Take a grown up shopping to buy and try a food you have never tried before.

Visit an art gallery to explore how artists mixed colours to paint an inspiring picture. Can you choose a favourite painting?

WRITE

Write and send a letter to a famous chef or artist. Tell them about yourself and what you enjoy making/cooking. Remember the letter writing skills you have been taught and don't forget to include an address so they know where to send their reply to.

Create a poem with the title Muck, Mess and Mixtures. Include some exciting adjectives that you can read aloud to the class.

Mathletics & Spellodrome

You are expected to visit both websites for at least 30 minutes per week.

MAKE

Create your own slush drink. Freeze a cup of juice or squash to make your slush drink. How long does it take to freeze? Can you make different coloured drinks using different juices? Make sure you bring in some pictures to show!

Cook or bake something delicious. What yummy food item will you make? Don't forget to take lots of pictures and record a photo journey of what you have done.
