Dear Parent/Carer,

RE: 'Outdoor Learning Day' at Kingston University

We have arranged an '**Outdoor Learning**' day at Kingston University. This will take place on **Monday the 17th June**. There is no cost for this trip. The children will need to attend in **sturdy footwear** (their normal school shoes may not be suitable). The rest of their uniform can be worn as normal. We will be spending the day outdoors, studying animal habitats, pond dipping, building shelters and the like.

The children will need to bring a **packed lunch in a disposable plastic bag**. We will be walking to Kingston University so a **waterproof coat** will be in order if the weather looks at all risky. We will spend the whole day outdoors on the 'Outdoor Learning' day so waterproofs are essential if there is any sign of rain. Can I also stress the importance of taking any medicines or allergy preventions before school on any day where the children are outdoors. We have had a few children, who suffer from hayfever, struggle at school recently. A morning dose of Piriton or equivalent would be a great help and prevent any unnecessary suffering! Please sign and return the attached permission slip below.

As always, any questions, please ask!

Yours Sincerely,

Antony Jones

I am the parent/carer of _____ and give my permission for my child to attend the 'Outdoor Learning' day at Kingston University on Monday 17th June 2019.

Signed _____
