Re: Jeans for Genes Day

Dear Parent/Carer

On Friday 18th September Robin Hood Primary School will be fundraising for "Jeans for Genes". Jeans for Genes is a national children's charity, which raises money for the care of children and families who are affected by genetic disorders.

Genetic disorders affect 1 in 25 people born in the UK and include conditions such as cystic fibrosis, sickle cell anaemia and muscular dystrophy.

At Robin Hood we will be raising money by making a donation of £2.00 to wear jeans to school. However, this day is not a **Mufti Day**, so children will be required to wear their school shirts, jumpers and school shoes.

All monies raised will be distributed through the Jeans for Genes Grant Programme for care services for children, information and support for families.

Thank you in advance for your generous contribution and continued support of this worthy cause.

Yours faithfully

Miss Stewart
